SCHOOL CULTURE: WORKING ON POSITIVE CHANGE

This presentation will cover a broad spectrum of School Culture. Participants will learn what some Nebraska schools are doing to ensure their schools are creating a culture where students can feel safe, supported, and able to excel. We will engage in a discussion of common misconceptions about mental illness in American society. A doctor from the University of Nebraska Medical Center will share the latest neuroscience information and data related to the subject. Hear a student share a detailed account of a monumental mental illness challenge and how it impacted his life and learning. Success stories will be shared here!

Kraig Lofquist - ESUCC

Conner Oberhauser - Twin River Public Schools student

A DISCUSSION ABOUT THE REALITY OF DRUGS AND SCHOOLS

"Just say no" is no longer the rally cry of Americans. Drugs are affecting both rural and urban communities and it is essential that schools are part of the conversation. This discussion about the impact of drugs on communities and schools will address why some districts have chosen to implement drug testing, student discipline for drug use, the role of School Resource Officer in relation to drugs. Strategies to combat drugs in schools and policies the board needs to implement or update regarding drugs will also be shared.

BECAUSE OF YOU - DR. ADOLPH BROWN

THURSDAY MORNING OPENING SPEAKER | 8:15 TO 9:30AM

As a former at-risk student who had one foot in gifted education and the other in alternative education, Dr. Adolph Brown knows that the "Whole Student" deserves a "Whole Education." Born in the heart of the inner city, while spending summers in rural Virginia with his grandfather, Adolph was reared to be very hard-working and reflective. Having had a single parent mother in the housing projects, having been a Head Start student, having been the first of his family of five to graduate high school, and having had his oldest sibling and only brother murdered when he was only 11, Adolph's life and work have been a voyage of discovery beyond anything he could imagine. Adolph is a recovering middle school special education teacher, university professor, graduate college dean, and corporate project manager. He is an educational and clinical psychologist, master teacher, humorist, author, and philanthropist.

HOW TO DO THE IMPOSSIBLE EVERY DAY - DANELLE UMSTEAD

THURSDAY LUNCHEON SPEAKER | 12:30 TO 2:00PM

Ever wonder what it is like to hurdle down a mountain on two skis at speeds up to 70 MPH virtually blind, relying on verbal cues from your guide (and husband) a few feet in front of you? This is what Danelle Umstead does every day. At the age of 13, Danelle was diagnosed with Retinitis Pigmentosa, a genetic eye condition where the retina progressively degenerates and eventually causes blindness. She has no central vision and is losing her peripheral vision. Currently, her spotted vision limits her sight to less than five feet without any detail. As her husband Rob skis a few feet in front of Danelle acting as her 'eyes' on the course, the amount of trust she has in him is truly remarkable and has created a unique bond on and off the mountain. Together, they make up Team Vision4Gold. "Vision," Umstead says, "is to have sight, an idea, or a dream."

CHOOSE TO BE MOTIVATED - JIM MILLER

FRIDAY LUNCHEON SPEAKER | 11:45AM TO 1:15PM

Hall of Fame Coach Jim Miller won 10 NCAA Team Championships in the sport of wrestling, at Wartburg College in Waverly, Iowa. The best part of his story may be that before arriving at Wartburg, the wrestling program had not won even a Conference title in 15 years, and had not won a National title in any sport, in the history of the college. In Coach Miller's 22 years at Wartburg, his teams finished 1st or 2nd in the Nation 18 times. His high energy presentation will help you understand the culture change that took place, and the key principles that turned the program into the #1 team in the nation.

A2 THINKING OUTSIDE THE BOX: COMPREHENSIVE PSYCHOLOGICAL SERVICES FOR STUDENTS AND STAFF WITHOUT BREAKING THE BANK

Currently, schools find themselves in a quandary when it comes to addressing mental health concerns for staff and students. Several K-12 schools in Lincoln County are "thinking outside the box" in an effort to provide comprehensive psychological services for students and staff in their districts. School districts are contracting with a Child and Adolescent Psychologist to provide clinical supervision and training to school counselors in an effort to build the schools' capacity to address students' mental health needs. Comprehensive services include psychological evaluations to assist the district with the identification of children with disabilities for ages five through 21 along with behavior consultation services. In addition, clinical psychological services will include substance abuse evaluations, risk/threat assessments, anger management, and safety planning.

PRESENTERS: Derek Aldridge & Rex Schultze - Perry Law Firm

A6 NON-PROFIT LEARNING CENTER AND DAYCARE WITHIN A PUBLIC SCHOOL

In January of 2018, Randolph Schools implemented a year-round Early Childhood Learning Center/Daycare housed within their elementary building. Running into many “dead-ends” early in the process; it forced those involved to be creative in working out different solutions to meet a community need. Staffed and managed by a non-profit organization and licensed by HHS, the district is able to avoid the issues associated with running a Rule 11 program. It’s a great example of the school and community partnering together to provide both high-quality daycare and Early Childhood education without relying on tax dollars or growing the school budget.

PRESENTERS: Sandy Owens, Jim Scott & Paul Schmit - Randolph Public Schools

A7 SUPERINTENDENT EVALUATIONS FOR BOARD MEMBERS

This session will walk through a variety of issues that can arise in superintendent evaluations by board members. We will address various legal issues that board members and superintendents should consider in evaluating their superintendent. A8 STILL THE GOOD LIFE! LESSONS LEARNED THROUGH THE NORTH BEND FLOOD OF 2019

Like many other Nebraska residents, the community of North Bend experienced an historic flood this year that damaged many homes and most businesses in town and left the high school building as one of the few dry places left in the area. This session shares the success stories and lessons learned from the March flood, with information on how the high school building served the greater North Bend community during the preparation, evacuation, and eventual recovery mission associated with this natural disaster. The small town teamwork displayed by city leaders, the school system, emergency personnel, and countless neighbors, from both near and far, exemplifies why Nebraska remains ‘The Good Life’ even during its most perilous moments.

PRESENTERS: Dan Endorf & Ken Streff - North Bend Central Public Schools

A9 ACADEMIES FOR THE HIGH SCHOOL - PLANNING AND IMPLEMENTATION PROCESS

Grand Island Public Schools is providing an update to their high school visioning which we shared at the state conference in 2017. We’re transforming our high school into the Academies of Grand Island Senior High. We’ll share how we have planned for the academies, major milestones, the structure, and the phased implementation efforts. We’ve learned a lot along the way from how best to communicate, for example, we learned a lot when we moved to block scheduling. The academies are only possible because of our partnerships with community businesses and employers. We’ll share how we’ve successfully structured the business advisory boards.

PRESENTERS: Dan Phillips, Nicki Stoltenberg, Kelly Enck, Lisa Albers & Heidi Schutz - Grand Island Public Schools

A10 STAYING IN YOUR LANE

THURSDAY BREAKOUT SESSIONS

B - BREAKOUT SESSIONS

THURSDAY, NOVEMBER 21 | 11:15AM TO 12:15PM

B1 IT'S A SMALL WORLD AFTER ALL!

It is not unusual for board members to know or connect with a wide range of community members either as a friend, colleague, relative, or acquaintance. The small world we live in can potentially create unique and challenging times for board members. How do you handle it when you cannot make it to the popcorn stand because your status as board member makes you the most popular person at the school event? Attendees will hear from a panel of board members and superintendents who face the challenges of small-town politics.

PRESENTER: Marcia Herring - NASB

B2 IF NOT US, THEN WHO? YEAR TWO: WELLNESS FOR ALL

This session will focus on the mental health program developed by Educational Service Unit #5 (ESU5) that provides mental health services to students in the school setting, that began during the 2017-2018 school year. With the overwhelming success of the first year school districts added additional days, and additional school districts came on board for the 2018-2019 school year. The positive impact this program has had for students, families, community patrons, and school personnel has been invaluable. The presentation will focus on how the program has expanded year two; and its positive impacts it has had for ESU 5's school districts and beyond.

PRESENTERS: Brenda McNiff & Jen McNally - ESU 5

B3 IT'S FOR THE KIDS! LEGAL AND PRACTICAL ANSWERS TO SHOW THAT EVERY COMMUNITY CAN SUPPORT HIGH QUALITY EARLY CHILDHOOD PROGRAMS

We've heard all the excuses: "There's no one who will do it in town." "Parents ask for it, but it seems like a headache." "What we have is good enough." We don't buy it! Schools have a vested interest in supporting early childhood programs and environments that support kindergarten readiness. This session will cover the many ways schools can be involved in early childhood education, from beginning your own program to innovative approaches to partner with private early childhood providers – including family child care home providers – already in existence. It will also help attendees understand the legal components of being involved in early childhood. When do you need to follow Rule 11 and when must you adhere to child care licensing standards from DHHS? What types of support can legally be offered to early childhood programs? Our hope is that school board members will have a better understanding of how their schools can be involved in the early childhood world, and can use solid ECPs as a staff recruitment and retention tool.

PRESENTERS: Bobby Truhe - KSB School Law; Adam Feser - First Five Nebraska

B9 "IF YOU BUILD IT"...OPTION ENRICHMENT FRIDAYS

Facing the lowest enrollment in 21 years, the loss of varsity sports, and growing concerns for the survival of the district, Banner County School Board made the bold move to a 4-day school week – with a twist. The concept of Option Enrichment Fridays offered an innovative approach to grow student access to STEAM learning opportunities, meet the needs of families, and tackle dwindling enrollment. This session chronicles the process of implementing a radical change through the lenses of current research, community consultation, student engagement, and district leadership. C2 THE ROLE OF THE SCHOOL SOCIAL WORKER/LICENSED MENTAL HEALTH PRACTITIONER

PCS is a socio-economically diverse Class B district with a 43.6% poverty rate highly committed to providing mental health support for children, families, and employees. Our district is unique, because we have 4.0 FTE school social workers/ licensed mental health practitioners (SSW/LMHP), with one at each of the following buildings: an early childhood/Head Start program (serving children birth to 5), a K-4 elementary school, a 5-8 middle school, and a 9-12 high school. Our SSW/LMHP have a broad scope of work. They are active participants on our multi-tiered systems of support behavior/ mental health team, the district safety team, and the crisis response team. They also work with individual students and facilitate small groups on various topics related to the needs of the students including, but not limited to, divorce, grief, suicide prevention, and other adverse childhood experiences (ACES). They also provide training for staff members. Join us to learn more about how our district has prioritized mental health support for children, families, and employees.

PRESENTERS: Sara Barada, Keryl Mines, Amy Petricek & Richard Hasty - Plattsmouth Community Schools

C3 YOU HAVE THE RIGHT TO REMAIN .. INFORMED (ABOUT SRO'S)

The safety and security of students within our buildings is the most important priority of every board of education and administrator. One of the recommendations made by the President's Commission on School Safety was to increase the use of school resource officers in schools. While the partnership between your school and local law enforcement is crucial, significant legal issues arise in setting up that partnership. What information can the school share with the police? Who is liable if a police officer uses excessive force on a special education student? How should the agreement between the board and the local law enforcement agency be structured to protect both entities? Answers to these and other important questions about the relationship between school resource officers and your school district will be addressed.

PRESENTER: Karen Haase - KSB School Law

C4 360 SUPERINTENDENT EVALUATION (SESSION ALSO OFFERED F4)

Each year the Raymond Central Board of Education and Superintendent create four mutually agreed upon goals for the upcoming school year. Clearly defined performance goals increase the probability that the superintendent is evaluated on what he or she was hired to do. Raymond Central partnered with NASB to create a 360 Evaluation (fall 2017) to seek feedback from board members, administrators, staff, students, parents and community members based on the annual mutual goals and superintendent standards using surveys. After each evaluation cycle, NASB shares the results with the board and superintendent. The results are used to create future goals for the district along with providing feedback to the superintendent. This session will discuss how the process has transformed superintendent evaluation for Raymond Central, and describe the step by step process used to create the tool, evaluate the tool, and develop the process used.

This session will walk through common policy mistakes and how to avoid them, and offer practical guidance on what "good" policies should include.

PRESENTERS: Perry Law Firm

D1 DYNAMIC BOARD RETREATS

Why are Board of Education retreats needed? A board retreat enables the board to work collaboratively with administration to discuss mission, vision, and goals. It stresses the importance of a strategic plan to support the mission, vision, and goals, but especially the discussion and action of the board. Academic accountability is a result of goals focused on the growth of instruction and learning, and retreat allows the board ample time to understand and evaluate the districts academics achievements. Allows the board time to assess the governance role of the board through self-assessment, utilizing a board retreat to identify areas of growth of the board. We'll share information on how to structure an efficient and successful board retreat, including who to invite, how to plan the agenda, and possible agenda topics to cover.

This session will discuss the past, present and future of the Board of Educational Lands and Funds of the State of Nebraska, and will detail the benefits currently being provided to the local school districts.

PRESENTER: Kelly Sudbeck - Board of Educational Lands & Funds of the State of Nebraska

D3 SPECIAL ED: WHAT EVERY BOARD MEMBER NEEDS TO KNOW (AND WHY WE CAN'T ALWAYS TELL YOU!)
"What do you mean you can't tell me? I'm on the board!" That is perhaps the most fair yet most legally complex question an administrator may get from his or her board members. Especially in the context of students with disabilities, board members get to know less but have to pay more for education and services to assist those students. This presentation will be a whirlwind tour of the basics of special education and other disability laws, focusing on the things board members need to know and understand about their role: including when they can and can't know, and why. Bring your questions, and at least WE can answer them!

PRESENTERS: Karen Haase & Bobby Truhe - KSB School Law

D4 NEW CLASSES, NEW PROJECTS AND NEW EQUIPMENT THROUGH COMMUNITY PARTNERSHIPS
Learn about the process we took to fundraise for our new video/ scoreboards through community partnerships.
