The Nebraska Association of School Boards provides programs, services and advocacy to strengthen public education for all Nebraskans.
Welcome - What Is Your Role

107th Legislature, 2nd Session

Can You Really Make a Difference? Yes You Can!

No one is more qualified to talk about your school district, your community, and your needs related to providing a quality education than you! With your help, NASB is an advocate for public education and local school governance … and YOUR collective voice in the Legislature.

- NASB strives to serve its members to work as a team with legislators and state officials, to share the story of their district/ESU, to secure laws and regulations that benefit all of Nebraska’s public schools, lobbying in support of your school board and local control.
- NASB is guided by a legislative agenda that is developed annually by YOU, initiated with submissions from YOU, and approved at the NASB’s Delegate Assembly each November by YOU.

DID YOU KNOW: #weLIVEhere
79% of Nebraska’s 1,700 locally elected School Board Members serve at or within 100 miles of where they graduated … with 51% serving at the district they graduated from.

You are a locally elected official and a community leader. As a school board member, you are in an excellent position to educate and influence the legislative process, and are seen as a key resource on education policy for your district.

We encourage all boards to include a legislative update as a part of each meeting, and to discuss/share key legislative information within your community. Advocacy is year-round, not just during the session itself. Bookmark the Government Relations page of www.NASBonline.org for updates and information, and make sure to utilize NASB’s Legislative Notes, videos, NASB’s Bills page and more, summarizing all of the pertinent items related to public education in Nebraska.

The Nebraska Association of School Boards is the only state organization created by school board members to represent the interests of school board members.

Your Association’s legislative agenda is initiated each year with the submission of local board proposals.

The NASB Legislation Committee reviews all proposals, and then submits its recommendations to the NASB Board of Directors.

The Board can then review and amend the submissions before presenting them to the NASB Delegate Assembly.

The Delegate Assembly gives each member school district a voice in shaping the agenda of NASB.

Standing Positions remain in effect until they are repealed by the Assembly.

Legislative Resolutions are in effect for one year only.

WHAT DOES THIS REPRESENT?

The statements you read inside the pages of this book represent a set of belief statements which guide NASB’s government relations efforts. These words guide our lobbying efforts at the State Capitol, with the State Board of Education and NDE, as well as with our representatives in Washington, D.C.

While this work represents an effort to describe an issue or condition to be addressed, rarely is a bill written in such plain language. Actual legislative bills are a blend of several ideas (or perhaps a good idea, and a substantial price tag). Hence, when NASB analyzes how we will testify on a bill, we take into account a number of factors, including regular reviews by the Legislation Committee which offer guidance on the course corrections necessary to navigate the turbulent amendment process.
YOUR 2021 LEGISLATIVE RESOLUTIONS

107TH LEGISLATURE, 2ND SESSION

... as approved by the Legislation Committee on July 16, 2021
... and approved by the Board of Directors on August 21, 2021
... and submitted to the Delegate Assembly on November 19, 2021

Resolutions are statements of intended and desired legislative action on items of current needs or problems. Resolutions are in effect for one year and direct the organization and its staff in their legislative efforts with each annual session of the Legislature. All resolutions submitted are presented for consideration and action. The Delegate Assembly shall receive, consider, and act upon legislative resolution proposals submitted to it by the Legislation Committee and the Board of Directors.

S-4 — COLLABORATIVE SERVICES TO YOUTH
NASB urges collaborative linkages between schools and other public and private agencies that serve children. (prior to 1995)

S-7 — POLICY
NASB considers it imperative that boards of education adopt clearly defined, flexible policies after input from the administration, parents, employees, and other interested parties. Policies, based on a clear understanding of the education process, should be thoroughly reviewed annually. The execution of policy is the responsibility of professional administrators and staff. (prior to 1995)

S-8 — USE OF ACCOUNTABILITY DATA FOR SCHOOL IMPROVEMENT
NASB supports using school accountability data to determine potential strategies/resources for helping schools improve. We support the concept of growth or learning mindset which suggests that school effectiveness is assessed as an improvement process. S-9 — ABUSE OF ALCOHOL, TOBACCO, & OTHER DRUGS
NASB supports efforts by boards of education and state and national officials to strictly enforce policies regarding the sale, use or possession of illegal drugs including methamphetamine, marijuana, THC products and synthetic equivalents of THC and marijuana, alcohol, tobacco, nicotine products, vapor products (including e-cigarettes), and any products intended by appearance or effect to replicate tobacco products on school property. (prior to 1995, amended 2009)

S-11 — COOPERATION WITH HHS
NASB supports legislation which mandates cooperation and consultation with school districts as it relates to the placement of children under the custody of DHHS. S-18 — STATEWIDE POVERTY/TRAUMA FUNDING
NASB recognizes the growing number of public school students across the state that are living in impoverished conditions and/or with traumatic experiences. NASB supports the use of research-based science to strengthen policy, program design and funding that targets those impacted by persistent poverty and/or trauma. (2017)

S-19 — STUDENT DISCIPLINE
NASB opposes legislative mandates related to student discipline. NASB supports student discipline as an essential, mutual responsibility of parents, teachers, and administrators, with final responsibility resting with school boards. (1999, amended 2019)
CURRICULUM & INSTRUCTION

S-20 — ACCESS TO EQUAL EDUCATION OPPORTUNITIES
NASB supports equal educational opportunities for all students, regardless of their race, wealth or family circumstance, and urges the Legislature, the State Department of Education, and boards of education to remove all barriers that may prevent any child from having full access to such education opportunities. S-34 — FINANCING CAPITAL IMPROVEMENTS
NASB supports adequate funding for school districts and ESUs for maintenance or replacement of our rapidly deteriorating facilities. (1997, amended 2015)

S-35 — FISCAL POLICY
NASB believes the Governor and Legislature must work together to create fiscal policy that will adequately fund public education statewide based upon the needs of students and not driven by a pre-set allocation of funds for education regardless of need. Nebraska demographics and student needs are dynamic, as are the changing education standards required to be competitive nationally and internationally. To meet this challenge, fiscal policy would be built upon a broad base with the lowest possible rates to provide stability in the tax base and revenue stream, provide local government with the tools to generate adequate financial resources, yet equalize financial support among taxpayers, and assure the principle of uniform assessment. (prior to 1995, amended 2009)

S-36 — FOR-PROFIT ENTITIES OPERATING IN TAX-EXEMPT ZONES

NASB urges full funding by the state and federal governments at statutory levels of all programs, standards, activities, and services mandated to public schools and ESUs by the Legislature and Congress, and further urges that any unfunded mandates allow authority for supplementary appropriations or outside levy lid funding. (1997, amended 2012, 2017, 2019)

S-38 — FUNDING: SCHOOL DISTRICT INFRASTRUCTURE, SITE PURCHASES AND BUILDING OPERATING EXPENSES
NASB supports legislation that would provide an alternative to property taxes for financing facility development, maintenance, and operation. (2003)

S-40 — INCLUDING GIFTS, DONATIONS, OR FOUNDATION FUNDS AS RECEIVABLES
NASB opposes the inclusion of gifts, endorsements, donations, or foundation expenditures that are not regular operating expenses in the calculation of receivables in the state aid formula. (2000)

NASB supports the concept that any legislative bill that limits financial resources, or requires additional financial resources, is done within a timeframe that will not negatively affect the school’s ability to prepare their budget. (1997, amended 2015, 2017, 2019)

S-43 — LEGISLATIVE REVIEW OF STATUTORY DEADLINES
NASB urges legislative review of the conflicting mandatory deadlines that affect school revenues and expenditures. (2011)

YOUR NASB STANDING POSITIONS

107TH LEGISLATURE, 2ND SESSION

NASB supports amending the Nebraska Statutes that address budgeting and spending lid restrictions to allow school districts the ability to utilize up to fourteen cents of the Special Building Fund tax levy outside of the budgeting and spending lid restriction so that districts can plan for and fund capital improvement projects, building repairs and upgrades, and school district infrastructure needs. (2007, amended 2020)

S-48 — STATE FUNDING SYSTEM
NASB supports a stable, predictable, equitable, and adequate statewide education funding system that honors the Legislature’s commitment to provide for free instruction in the common schools of this state, as guaranteed by the Nebraska Constitution, by prioritizing education funding in the state budget, and that:
- Invests in the education of all Nebraska public school children;
- Establishes a state fund or funding mechanism that assists Nebraska public schools with the costs of maintaining and constructing facilities;
- Reduces our dependence on local property taxes by drawing revenue from multiple funding sources;
- Promotes the responsibility of locally elected school boards to make sound, transparent school budget decisions;
- Provides funding in a timely and predictable manner;
- Includes the principle of equalization;
- Funds the total excess allowable costs for special education and support services; and
- Recognizes that a long-term solution to education funding will require an ongoing, collaborative effort to execute a vision and strategic plan to grow and diversify our economy. (1997, amended 2009, 2018)

S-49 — USE OF A UNIFORM VALUATION CALCULATION TO DETERMINE LOCAL RESOURCES AND STATE AID
NASB supports a property tax assessment system that utilizes uniform accounting practices to determine the property valuation number from which local and state officials can calculate both the local resources available to fund schools from property taxes, and the resulting calculation of state aid payments to school districts. (2003)

S-50 — VOUCHERS AND TAX CREDITS
NASB opposes any attempt to amend or circumvent the Nebraska and United States Constitutions to permit the use of public funds for the support, either direct or indirect, of schools not controlled by the public at large. NASB opposes any state or federal legislation allowing either tax credits or vouchers for children, or the parents or guardians of children attending nonpublic schools, or donors to scholarship funds for non-public education. (prior to 1995, amended 2020)

S-51 — ACCOUNTABILITY
NASB believes that boards of education are accountable to students, parents, taxpayers, and employees for providing education programs, striving for education excellence, identifying education needs, adopting clearly defined written policies, measuring the success of instruction programs, and interpreting and disseminating information to the public through a public relations plan. (prior to 1995)

S-52 — ALLIED SCHOOLS
NASB opposes legislation that would mandate the formation of an allied system of school districts. (2014, amended 2016)

S-53 — AMEND OPEN MEETINGS ACT FOR EVALUATIONS
NASB supports legislation to allow boards to go into executive session to discuss superintendent evaluations and/or for the narrowing down of superintendent candidates. (2017)
S-54 — AUTHORITY OF SCHOOL BOARDS
NASB supports the authority of boards of education to effectively govern and execute their statutory responsibilities. (1997, amended 2015)

(1998, amended 2015)

S-56 — DUTIES OF SCHOOLS

S-57 — E-MEETINGS - FULLY-IMPLEMENTED OR PARTIAL ALLOWABLE ATTENDANCE
NASB supports legislation which allows for school board members to participate in school board meetings via electronic means while still maintaining a quorum when necessitated for the health and safety of the board and public. Virtual meetings cannot impede the public's ability to participate. (2020)

S-58 — EDUCATIONAL SERVICE UNIT GOVERNANCE
NASB supports governance of ESUs by elected boards and supports local determination of specific mechanisms of that governance. (2005)

S-59 — EDUCATIONAL SERVICE UNIT REORGANIZATION
NASB supports the continuation of ESUs as an effective means of delivering educational services to school districts and their students. Any reforms would provide for a statutory hold harmless provision in the distribution formula for Core Service funding when an Equity Unit reorganizes with any other ESU, and must be mindful of ESUs’ essential role of delivering direct services and being responsible to the local school districts they serve. (2004, amended 2005)

S-60 — INTERACTIVE REMOTE COMMUNICATION TECHNOLOGY (TELEVIDEO)
NASB urges the legislature to provide updated rules and procedures so patrons are able to readily testify at legislative hearings via televideo (interactive remote communication technology) on a regular, ongoing basis to allow for a more equitable opportunity for the public to participate in the legislative process. (2017)

S-61 — ORGANIZATION
NASB opposes legislation that would mandate consolidation of districts or administration. NASB favors cooperation between school districts as well as ESUs to remove all barriers and penalties to promote orderly and voluntary reorganization into more efficient governing and administrative units to best serve the educational needs of Nebraska’s children. (prior to 1995, amended 2008, 2015, 2017, amended 2019)

S-76 — STAFF DEVELOPMENT AND EVALUATION

S-79 — CONSTITUTIONAL RIGHTS & RESPONSIBILITIES
NASB, and school board members, fully supports the U.S. Constitution and the rights and responsibilities embodied within it. NASB therefore supports education and behavior that teaches and models expression of these rights and responsibilities. (2009, amended 2015)

NASB opposes restrictions on school districts’ ability to exercise their best judgment in entering into corporate sponsorship agreements. (2004)

S-82 — GUIDING THE P-16 EFFORT: 21ST CENTURY SKILLS
NASB urges state and local policymakers to forge a new working relationship in redesigning Nebraska’s public education system for the 21st century, with a focus on improving student achievement and holding each level of the system accountable, from preschool through post-secondary education or training, in a manner that:
   a) Promotes multi-level communication and interaction between all P-16 partners to enhance student academic success;
   b) Offers all students a rigorous developmentally-appropriate curriculum designed to provide opportunities and choice, regardless of the post-secondary path they choose;
   c) Engages the assets of the full community;
   d) Utilizes data and technology to individualize education for students and to incorporate new learning into the design;
   e) Closes the achievement gap by focusing on quality teaching and learning opportunities;
   f) Implements standards-based education fully in a seamless curriculum, so one level of the system builds on the next and the end result is known and understood from the beginning;
   g) Provides sufficient resources that are adequate and sustainable at every level of the system to meet the challenge, resisting unfunded or underfunded mandates; and
   h) Preserves the ability of local school boards and their communities to address local needs and challenges in a flexible manner using a variety of options. (2009, amended 2016)

S-83 — INDEPENDENT SCHOOL DISTRICTS
NASB supports the independence of established PK-12 school districts and also supports the cooperation and equalization of opportunity among school districts within learning communities. NASB believes that any legislation introduced impacting school districts or learning communities should seek to give districts and learning communities equalized resources. Any legislation should also allow these independent districts to maintain their right to governance, district curriculum, and the allocation of resources. (2006, amended 2013)

S-84 — LOCAL CONTROL FOR PUBLIC PK-12 SCHOOLS
NASB believes public PK-12 systems should be organized to serve communities throughout Nebraska without arbitrary size limits or a single model, which would not fit our state’s varied communities. NASB opposes legislating arbitrary size limits and will work to remedy such limits currently in statute. (2006, amended 2013)

NASB believes that nonpublic schools should have the same state standards as the public schools, including school approval, accreditation, teacher certification and endorsement, and safety standards. (prior to 1995)

S-88 — POLICY LEADERSHIP & VISION ON THE FUTURE OF NEBRASKA’S PK-12 SCHOOLS
NASB supports efforts to bring policy makers of the executive and legislative branches, educators, school boards, learning community coordinating councils, and ESU boards, and citizens together to determine the best course for the future delivery of PK-12 education to the students of the state. NASB boards emphasize increasing student achievement through governance structures that are clear, efficient, and controlled by the local district. (2003, amended 2008, 2010, 2013)
