## THIS MONTH IN ...

A quick snapshot of the various programs, services, support and events NASB has planned for its members in the coming month!

**ADVOCACY & GOVERNMENT RELATIONS ...** The 2026 Legislative Session starts on Wednesday, January 7th and we are ready! The stockings are hung by the chimney with care, your Legislation Committee calls and meetings are scheduled, and our colored pens are ready to mark up anything pertinent as new bills are introduced the first 10 days. As mentioned, here are just some of the hot topics we anticipate in the coming year: ACT, Bonds, Spending Caps, Literacy, Option Enrollment, Petitions, Release Time, "Spaces", State Budget, Student Discipline, Superintendent Pay, Teacher Benefits/FMLA, Ten Commandments, and Truancy. Learn about all of these, hear from and have lunch with Senators and more at the Legislative Issues Conference, January 25-26, in Lincoln. Call Colby & Matt any time!

**ALICAP ...** ALICAP would like to welcome their newest member, Wausa Public Schools. This newest school district takes ALICAP's membership count to 227 total! Welcome Wausa, we're excited to have you join the pool!

**BOARD LEADERSHIP ...** Check out "At the Board Table" on Page 4 to learn about all things Board Leadership!

**EDUCATION LEADERSHIP SEARCH SERVICE ...** We have deadlines approaching for some great districts. If your district/ESU is just learning of a vacancy, there is time to do a full search process. Contact Shari for all things Search!

**ENERGY PURCHASING ...** As we close out 2025, the trends we highlighted last year have continued to shape the market. Demand for U.S. natural gas remains historically strong, driven primarily by electric power generation. While weather variability again played a role during peak summer and winter periods, structural growth in electricity demand has become an even more significant factor. Data centers supporting AI, cloud computing, and digital infrastructure continue to expand, placing sustained pressure on regional power grids and the natural gas resources that support them. At the same time, LNG exports and pipeline constraints in certain regions have contributed to greater price volatility. This remains relatively new territory for the natural gas industry, and your consultants at NJUMP and CJUMP continue to closely monitor market conditions, infrastructure developments, and regulatory changes to help secure reliable natural gas supplies at competitive and predictable rates for our members.

**GALLUP STRENGTHS ...** Let's talk about **Leadership**. When leaders operate from their strengths, followers get what they need. Teams become more confident, more resilient and more aligned on the work ahead. "What great leaders have in common is that each truly knows his or her strengths - and can call on the right strength at the right time." - Don Clifton. Schedule a Gallup retreat with Shari to learn more about your team's strengths.

**MEMBER ENGAGEMENT ...** Loved spending some time on the road in December visiting High Plains, Riverside, St. Paul, Northwest, Amherst, Litchfield, and Callaway. We are busy planning events for you in 2026 and look forward to seeing you at the Legislative Issues Conference in Lincoln, the President Retreat in Kearney, our 4th annual Federal Advocacy Fly In this April in Washington D.C., and Budget & Finance Workshops in Seward, Ogallala, West Point, and Kearney.

**TECHNOLOGY ...** As staff negotiations begin to wind down, please remember to enter your 2026-27 negotiated agreement into the Contract Settlement Form. If you need assistance, please email Darion! Happy Holidays!

**NEBRASKA EDUCATION LAW BOOKS ...** It is time to place your order for the 2025 Nebraska Education Laws Book! To streamline the ordering process, please submit your order directly to Colleen Saia at LexisNexis by calling 937-247-8171 or by email at [colleen.m.saia@lexisnexis.com](mailto:colleen.m.saia@lexisnexis.com). When contacting Colleen, please include the number of print books and/or eBooks you wish to purchase, along with your tax-exempt documentation. Tiered pricing is as follows: 1 book = \$103, 2-24 books = \$97.85 each, 25-49 books = \$92.70 each, 50-149 books = \$82.40 each, 150-399 books = \$72.10 each, 400-999 books = \$61.80 each. Shipping costs vary, beginning at \$16.43 and increasing based on order size.

In addition to the programs and services provided daily, in-house by the NASB staff, we are also able to offer key additional items through our Endorsement Program. NASB partners with local, regional, and national companies with a like-minded mission to offer a specific niche program or service in addition to those we currently offer which provide savings for school districts and ESUs.***

*For more detailed information, including who to contact, please visit the 'Endorsed Services' link on NASB's website linked above.*

**American Fidelity** - Flexible Spending Account (FSA), Health Savings Account (HSA), and supplemental insurance.

**eFunds for Schools** - Secure electronic payment service that gives school students' parents the ability to pay for school expenses without writing a check or using cash.

**Equifax** - Responds to any and all Unemployment Claims on your district's behalf, provides professional development to your district staff, provides your district with a go-to resource who is an expert on Unemployment Claims, and prepares your district if the hearing process is necessary.

## Supporting District Compliance with Nebraska's Financial Literacy Requirement

In partnership with Nebraska State Treasurer Joey Spellerberg, the Nebraska Council on Economic Education (NCEE) supports school districts and educators in delivering high-quality economic and financial literacy instruction across the state.

Under Nebraska's 2021 Financial Literacy Act, **Nebraska Revised Statutes 79-3001 through 79-3004**, linked below, every district is required to offer a semester-long personal finance course for all students and to report to their school board how the district is meeting this requirement. NCEE provides no-cost, standards-aligned curriculum resources, professional development for teachers, and implementation support to help districts confidently meet both the instructional and reporting expectations of the law.

School board members and administrators interested in learning more about available support may contact NCEE president, Dr. Jennifer Davidson at [jdavidson2@unl.edu](mailto:jdavidson2@unl.edu)
