THIS MONTH IN ...

A quick snapshot of the various programs, services, support and events NASB has planned for its members in the coming month!

ADVOCACY & GOVERNMENT RELATIONS ... We are well underway with the 109th Legislative Session. Hearings have started and bills have been introduced! Your NASB Legislation Committee meets this weekend and has a lot of work to do. We're excited for you to see everything at LIC. As always, keep tabs on both the GR pages of NASBOnline.org as well as the Bills page! Call Colby & Matt any time!

ALICAP & INSURANCE ... ALICAP cautions all member schools/ESUs to think "prevention" this month while temperatures are well below freezing. No one wants frozen pipes over these cold winter days! 1) Change exterior temperature fresh air intake set points. 2) Leave doors open to mechanical rooms, utility and custodial closets if on exterior walls. 3) Increase heat in your vestibules/entrances during peak time use. 4) When especially low temps are predicted overnight, let faucets drip if mount is positioned on an exterior wall.

BOARD LEADERSHIP ... Check out "At the Board Table" on pages 4 & 5 to learn about the Board Leadership Academy.

DATA ANALYTICS ... Great ideas for improved programs often come from midwinter board retreats. We can help your board gather and illustrate relevant district data to better focus your efforts and target meaningful, measurable goals as you implement those improvements.

EDUCATION LEADERSHIP SEARCH SERVICE ... Contact us with questions on search protocol, to schedule a proposal, or inquire about a vacancy. We are adding vacancies to our site frequently. Contact Shari and check our current listings online!

ENERGY PURCHASING ... While daily changes in natural gas prices have often been sizable, the overall market has lately been sideways since forecasters are divided on how much more cold weather we'll get this winter going toward March. During the recent cold spell, our natural gas consortiums had several pricing measures in place to protect against huge demands on the natural gas supply systems. Your market specialists in NJUMP and CJUMP continue to monitor these changes on a daily basis to find great opportunities for your future gas needs.

FOUNDATION ... The Nebraska Public Leadership Foundation is awarding two, \$1,000 scholarships to two high school seniors who are pursuing higher education to become a teacher in a Nebraska public school system. Students with plans to attend college or university in Nebraska, have a minimum GPA of 3.0, and whose school district is a member of NASB qualify to apply. The application can be found at www.nepublicleadership.org

GALLUP STRENGTHS ... This month's featured Gallup theme is **Empathy**. Do you wonder why people call you to talk about problems they are having? You may have Empathy in your Top 5, which helps you understand the feelings of those around you. You are likely able to connect on an emotional level to create strong, trusting relationships. Contact Shari to schedule a Gallup retreat.

MEMBER ENGAGEMENT ... A busy start to 2025, with LIC, the Board President Retreat, Open Meetings Law Workshops, Finance Workshops, and the Federal Advocacy trip to DC! Plus we will be hitting the road delivering Membership Guides.

POLICY ... The legislature is more frequently requiring the Nebraska Dept. of Education to develop model policies on various issues, including a behavioral management policy and a dress code policy due before the next school year. We typically offer NDE's suggested model policy and a similar one of our own if we have minor language changes or implementation modifications that we feel will make the policy more usable while still meeting the statute's full intentions.

TECHNOLOGY ... As you begin to settle, please remember to enter your updated contract information into the Contract Settlement Form along with your Negotiated Agreement. If you have any questions, please reach out to Darion. Welcome New Negotiations Subscriber: Oakland-Craig Public Schools!

It is with a heavy heart that we share the news that Allison Welch, a member of the Conestoga School Board, has passed away. Allison will be missed by so many, and education in Nebraska is better because of her. She was the 2023 Ann Mactier School Board Member of the Year, who dedicated over two decades of her life to the betterment of Conestoga Public Schools. Allison was a driving force behind numerous initiatives that have left an indelible mark on the school community.

On behalf of the Board of Directors and staff, we want to express our heartfelt gratitude for your continued membership and unwavering support. Your dedication to fostering excellence in education is vital to the success of students, educators, and communities across Nebraska.

Serving on a school board is a big commitment of your time and energy. All school board members make sacrifices away from their family or work on behalf of their local school district and community. The NASB understands these sacrifices and wants to support you as you strive for excellence.

As a valued member of NASB, you are part of a collaborative network of dedicated leaders working to fortify public education in Nebraska. Your active engagement empowers us to provide vital resources, impactful training, and effective advocacy to support school boards and enhance governance across the state. Whether through workshops, legislative updates, or shared initiatives, your participation amplifies our collective impact.

If there is ever anything we can do to assist your district/ESU or enhance your experience with NASB, please reach out. We are a phone call or email away, working daily to provide you with money-saving programs, information-sharing services, and the events you need to thrive.

We look forward to working for and with you and your board again this year. If you have any questions about NASB's programs, services, advocacy efforts, or any other item, please let us know! Thank you for being an integral part of the NASB community. Together, we are shaping the future and making a difference for generations to come!

Thirty-two pages of all NASB is and does, for you, our members, will be delivered to your district/ESU in the upcoming weeks.

Throughout this year's Membership Guide, you will see and learn about the people, programs, services and vision that bring value to your board, your district, and your community. From the NASB staff, Board of Directors, and Legislation Committee, to your fellow board members across the state.

This is a great reference to keep close throughout the year, as it includes the history of NASB and school boards in Nebraska, all of the organizations partners, advocacy, engagement, awards, your NASB programs, services and staff, School Board Member of the Year info, and more!

This is a great time to begin a Board Policy Manual Customization to give your board and administrators a much more accurate, complete, and user-friendly Policy Manual for the start of the next school year. The goal of the NASB Policy Customization Service is to create a completed, customized policy manual (in hard copies and electronic format) with legal referencing and indexing that reflects in writing how your individual district actually operates.

We will evaluate a district's existing board policy manual, check for consistency and provide your board with a "road map" of expectations for the governance of your district. Your district has its own unique history and, over the years, has chosen to make different operating decisions than your neighboring districts. We will rewrite your existing board policy manual, keeping the decisions of your board in place, not throwing them out to be replaced by a generic set of policies.

Through this process we will be able to highlight the areas that are presently omitted and add the policies that most experienced boards and administrators believe are necessary for setting out the basic expectations for the operation and governance of your district. When these new policies are brought into your reorganized and updated manual, they are reviewed with your administrators and board policy committee to ensure the language and intent is appropriate to your local needs.

NASB wants your policies to be clearly written and easily understood by the people using them. Many Board Policy Manuals contain policies that are overly detailed, redundant, and confusing. If your School Board is using a Policy Manual that is disorganized, poorly written, and difficult to understand, our manual customization process can correct that for you. This is a time intensive process on our part, but the result is to make your manual easier to use, clearer to follow, and simpler to update in future years. For more information contact Jim Luebbe, Director of Policy Services at jluebbe@NASBonline.org or 402-423-4951.
