THIS MONTH IN ...

A quick snapshot of the various programs, services, support and events NASB has planned for its members in the coming month!

ADVOCACY & GOVERNMENT RELATIONS ... While the Session is over there is still plenty going on! The School Finance Review Commission has been revealed (our appreciation goes out to SBMs Keith Runge of Lakeview and Shavonna Holman of Omaha). We have some updates at the State and Federal Levels, and some Thank-Yous as well. Check out Page 7 for more. Call Colby & Matt any time!

ALICAP & INSURANCE ... Congrats and heads up to all ALICAP Members! ALICAP's Board of Trustees met on Friday, July 18th to put together the upcoming 25-26 budget, which includes a dividend back to the members! Districts/ESUs can expect to see a dividend credit off their 25-26 billing statement, as a result of the \$1.7 Million dividend! Congrats ALICAP Members! We appreciate all that you do to keep Nebraska schools safe!

AWARDS OF ACHIEVEMENT ... The points year will end in July. Please check board member points for accuracy. An email will be going out soon with a list of all board members who will be recognized at our Area Membership Meetings.

BOARD LEADERSHIP ... Check out "At the Board Table" on Page 6 to learn about all things Board Leadership.

DATA ANALYTICS ... With a new school year starting soon, your district may be considering whether to overhaul certain programs and curriculum. NASB's Data Analytics can help you to evaluate your standardized testing data in a meaningful way to provide an evidence-based foundation as to whether or not your current curriculum is underachieving. It's all about turning raw data into knowledge, then letting that knowledge guide your planning discussions.

EDUCATION LEADERSHIP SEARCH SERVICE ... We are now scheduling proposals for districts who anticipate a change in leadership after the 25-26 school year. Contact us with questions on search protocol or to schedule a proposal or initial search work session.

ENERGY PURCHASING ... With the sudden passing of Jim Luebbe, who spearheaded NASB's natural gas purchasing interlocals, NJUMP and CJUMP, John Spatz will be managing both NJUMP and CJUMP in the short term, while we work on filling the big shoes left by Jim. As we transition to a new person responsible for these two Interlocals feel free to reach out to John with questions or concerns. We thank you for your patience.

GALLUP STRENGTHS ... Our featured Gallup theme this month is **Self-Assurance**. With Self-Assurance in your Dominant Strengths, you bring confidence and decisiveness in your abilities. The trust you have in your own judgment empowers you to make decisions with conviction. You need independence and control over your own life. Schedule a Gallup board retreat with Shari for this fall.

MEMBER ENGAGEMENT ... We are excited for what lies ahead, with the Leadership Workshops and Area Membership Meetings over the next few months. We also look to connect with anyone going to Kansas City for the Nebraska game in late August! Looking forward to seeing many superintendents and familiar faces at Administrators Days this week too!

POLICY ... With the sudden passing of Jim Luebbe, NASB's Director of Policy for 25 years, we have been working to make sure there are no disruptions in your policy update service. As we transition to a new person responsible for NASB's Policy services, please let John or Colby know if there are any questions regarding recent updates. We thank you for your patience.

TECHNOLOGY ... Welcome to our New Sparq Meetings Subscriber - Wynot Public Schools! Nicole & Darion will be at Administrator Days in Kearney this week. Stop by the Sparq booth and say hello. Negotiations season is right around the corner. If you're looking for a refresher or a demonstration, reach out to Darion.

The NASB family, and education community across Nebraska mourns the death of Jim Luebbe.

Jim, NASB's Director of Policy, passed away July 8 from a heart attack while gardening at home in Beaver Crossing. He was 74. Jim had served in this role for 25 years, updating and customizing the Policy Manuals for scores of districts across the entire state. Prior to that, he served on the NASB Board of Directors while he was a school board member at Centennial Public Schools in Utica, where he served for 11 years. Jim also led the Association's two Interlocal Pools created for public agencies to purchase natural gas, NJUMP and CJUMP.

NASB Executive Director, John Spatz said: "From drag racing, to crop dusting, to world traveler, Jim lived an incredibly full life. In addition to his many interests, hobbies, and desire to continually learn, he was an attentive husband, father, grandfather and friend. His work with and for NASB for the betterment of public education across Nebraska will not be forgotten, first as a locally elected school board member serving the needs of his community, to serving at the state level, to a quarter century working with districts on their policies and gas purchasing. I will truly miss traveling across the state in a car with Jim. You never knew where the conversation would go, and I always came away smarter and smiling."

Our thoughts and hearts go out to his wife Linda, and the entire Luebbe family during this time.

Jim started school in Goehner, continued in Beaver Crossing, and graduated in the first senior class at Centennial Public Schools. He earned a Bachelors degree at UNL. Jim married Linda Naber and had two children, Ellie and Karl.

Jim's life had as much variety as one can in 74 short years. Over the years, he worked as an engineer for Plectron and Square D, spent nearly a decade farming, became an aerial spray pilot, served as a Goehner Volunteer Fireman, sold insurance, worked as a civil engineer at Olsson Associates, served as Holy Cross Church President, and was still writing school board policy at the time of his passing. He was a published poet, competed in Autocross with his Z-28 Camaro, acted in the Goehner Melodrama, received recognition for his time on the Centennial School Board, earned rosettes at the Seward County Fair in photography, organized numerous class reunions, and traveled abroad often with his wife, Linda, touring many historically fascinating locations. He enjoyed a variety of hobbies, including reading (especially history), music (especially Dixieland Jazz), Seward Bluejays music events, Husker sports, movies, photography, and planting trees, roses, and gourds around their acreage. Jim jumped at any chance to travel, especially to visit Karl or meet up in New Orleans and hear live music. He was an endless supporter and cheerleader of his family and spent much time, along with Linda, hauling and watching his children and grandchildren as they practiced and performed.

Because of Jim's love for planting trees, NASB saw it fitting to work with the Arbor Day Foundation, where in his memory, 120 trees will be planted in a forest of great need.

NASB would like to show our appreciation to Keith Runge of Lakeview Community Schools and Shavonna Holman of Omaha Public Schools who will serve as the School Board Member reps on the Commission.

Governor Pillen's School Financing Review Commission appointments, created by LB 303, have been announced. The commission, consisting of 18 members, is tasked with reviewing the state's school funding formula – TEEOSA – and providing the Legislature with annual recommendations about adjustments to ensure stable state aid to schools, while also reducing property taxes.

"I believe the state needs to fulfill its constitutional obligation to fund public K-12 education. Not run those schools but fund them. Creation of this commission is a first, but critically important step in fixing the 35-year problem that has resulted from TEEOSA," said Gov. Pillen. "If we are to get a grip on the state's property tax crisis, we must be willing to address the ever-growing burden that falls on property tax as a result of footing the bill for our schools."

Commissioner of Education Brian Maher will serve as Chair and the NDE will provide assistance to the group. The remaining 17 positions, and the Governor's appointees include:

- Property Tax Administrator (or designee): Sarah Scott, Property Tax Administrator
- Governor's Representative: Grant Latimer, Policy Advisor to Governor Pillen
- Representatives Appointed by the Legislature (three, nonvoting): Sen. Dave Murman; Sen. Eliot Bostar; Sen. Jana Hughes
- Postsecondary Education Representative with Expertise in School Finance: Paul Turman, Chancellor, State College System
- Superintendents or School Board Members from Class I, II, III Districts (four): Class I: Ann Foster, Superintendent, Brady; Class II: Jason Dolliver, Superintendent, Pender; Class III: Aaron Plas, Superintendent, Bennington; Keith Runge, President, Columbus Lakeview School Board
- Class IV District Member (one) and Class V District Member (one): Class IV: Liz Standish, Associate Superintendent for Business Affairs, Lincoln; Class V: Shavonna Holman, School Board Member, Omaha
- At-Large Members (five): Former Sen. Lou Ann Linehan; State Treasurer Tom Briesie; Certified Public School Teacher: (This position has not yet been appointed); Former Sen. Fred Meyer; John Schwartz, Superintendent, Millard

FEDERAL UPDATE ... The "Big Beautiful" bill was signed by President Trump. Included in the bill is a federal tax credit for non-public education. Grants for public education through the Department of Education previously approved by Congress were halted by President Trump. Some of the funds have now been released as a result in part from Senator Fischer's advocacy (THANK YOU!). <https://nebraskaexaminer.com/2025/07/18/repub/some-frozen-federal-funds-for-schools-released-to-states-by-trump-administration/>

STATE UPDATE ... State tax receipts are short \$86 million according to the latest forecast. Governor Pillen has indicated a desire to cut State government by \$500 million by asking Department heads to submit recommendations for a 10% budget cut. K-12 Education will certainly be a target for reduced State spending in the coming session. <https://nebraskaexaminer.com/2025/07/16/gov-jim-pillen-touts-new-nebraska-efficiencies-as-he-seeks-500-million-budget-cut/>

Earlier this month, NASB Executive Director, John Spatz, and NASB Board of Director, Steve Koch of Hershey, participated in the annual National Forum on Education Policy put on by the Education Commission of the States (ECS), in Salt Lake City, Utah.

ECS is a membership organization that partners with education policy leaders to address issues by sharing resources and expertise. John serves a key role with this group, making sure Nebraska's school board members have a voice at the table. Created over 50 years ago, ECS serves both the people who develop and implement education policy and the students who directly benefit. At the Forum, many issues of common interest were addressed, such as education workforce shortages and early childhood issues.

The organization is led by a Governor as its chair, the vice chair is a legislator, and the political party of the chair and vice chair positions alternate every two years. At the 2025 forum we saw the passing gavel from the past Chair of ECS, Kansas Governor Laura Kelly, to the new Chair Mark Gordon, the Governor of Wyoming. ECS supports all 50 states and four territories – the District of Columbia, American Samoa, Puerto Rico, and the Virgin Islands. Each state appoints seven commissioners who help guide the work of ECS, and their own state's education agendas. Commissioners also have the authority to approve amendments to bylaws and provide strategic information to ECS staff regarding state education policy issues.

Pictured left to right include: Lane Carr - NDE; Commissioner Maher; John Spatz; Steve Koch - Hershey BOE; Mike Baumgartner - Nebraska Coordinating Commission for Higher Ed; Sen. Dan Lonowski; Sen. Jana Hughes; Elizabeth Tegtmeier - State Board of Ed; Maggie Douglas - State Board of Ed; Kristin Christensen - State Board of Ed; and Deven Scott - ECS

The key role ECS plays is to bring education leaders together from different backgrounds, states, and political views at annual gatherings to provide opportunities to interact, learn, and collaborate.

"The 60th Anniversary ECS Conference was the best that I have attended during my 33 years as a local School Board Member. The time I got to spend with the Commissioner, three State Board of Education members, three State Senators and the Executive Director of NASB, was very valuable. Because NASB has partnered with NDE and Commissioner Maher to promote reading proficiency, I decided to take advantage of the opportunity to attend as many sessions as possible on that topic. Information was presented on how States have been monitoring and overcoming obstacles to implement Science of Reading Legislation to promote reading proficiency by third grade, the use of high-quality instructional material, and family literacy. The keynotes, especially 2024 National Teacher of the Year, stood out as well. If you ever get the chance to attend a ECS Conference take advantage of the opportunity." - Steve Koch, Hershey BOE & NASB Region Director

In Nebraska, the ECS representatives are: Governor Jim Pillen; Commissioner of Education Brian Maher; Senators Margo Juarez, Jana Hughes, and Dan Lonowski; John Spatz, Executive Director, NASB; and Mike Baumgartner, Executive Director of the Nebraska Coordinating Commission for Higher Education.

ECS is the trusted source for comprehensive knowledge and resources on hundreds of education policy issues. It is a non-partisan organization that provides research of both sides of issues along with what is happening on the issue in other areas. ECS gives policy makers the information they need in shaping policy in their state on critical educational issues. While covering the full spectrum of education policy, Education Commission of the States dives deeply into key issues impacting all states.
