THIS MONTH IN ...

A quick snapshot of the various programs, services, support and events NASB has planned for its members in the coming month!

ADVOCACY & GOVERNMENT RELATIONS ... Continue pushing back on the narrative that high property taxes in Nebraska are primarily due to spending at the local level. We have seen and heard incredible examples of you sharing your unique, individual stories through letters to your Senators. NOTE: on Page 6 you will see the dates and topics for some key interim hearings we will be paying attention to, and would like your thoughts as well. As always, stay engaged and informed! Call Colby & Matt with questions any time!

ALICAP & INSURANCE ... ALICAP continues to add new members to the pool! Welcome to Bloomfield Public Schools! We're thrilled to have you join us! ALICAP's membership is up to 211 public schools and ESUs statewide.

BOARD LEADERSHIP ... "At the Board Table" is on page 4. This space reflects recommended regular board meeting agenda items to include in your upcoming agenda. - Marcia, Katie, Caden, Stacie, Ben, Stephanie & McKenna!

DATA ANALYTICS ... The next Legislative session is drawing nearer and many legislators will be meeting with their constituents after Election Day. Knowing how your school's costs per pupil, tax levies, enrollment trends, poverty indicators and student achievement compare to surrounding districts or districts of a similar size is useful in these discussions. Being armed with data gives you credibility and backs up your narrative when you describe the challenges your own district faces. Contact Jim Luebbe if you are interested in creating one of these summaries for your local school.

EDUCATION LEADERSHIP SEARCH SERVICE ... If you are facing a leadership vacancy, we can prepare a proposal to outline the steps of a search process and answer questions on best practice. If you are an applicant considering a specific position, please visit our website at <https://members.nasbonline.org/els> or give Shari a call.

ENERGY PURCHASING ... Natural gas continues to trade at fairly low prices going into the colder months and our natural gas purchasing consortiums have had considerable supplies priced in since early this year. We are constantly reminded how changeable the Midwest's weather conditions can be, and our NJUMP and CJUMP programs will be there to assist your district with keeping costs down if we have a repeat of the historic cold temperatures we saw as recently as February of 2021.

GALLUP STRENGTHS ... If you work with someone who has SIGNIFICANCE in their Top 5, they thrive when doing work that creates a big impact and perform best when their performance is visible. They may feel a need to be admired as credible, professional, and successful. They want to be known and appreciated for the unique contributions they make. Contact Shari to schedule a Gallup team retreat.

MEMBER ENGAGEMENT ... I'm looking forward to seeing you all at the State Education Conference in just 30+ days!

NOW HIRING ... NASB is hiring a Board Leadership Associate! If you or someone you know might be interested in this position, visit our About Us page to learn more!

POLICY ... Public records requests for schools have now become potentially more expensive. LB 43 passed during the regular session, which requires districts to supply up to 8 hours of employee time, rather than the previous requirement of 4 hours, to meet public records requests of state residents without charging for that time.

TECHNOLOGY ... New Subscribers - State Conference - EHA! Welcome to our newest Negotiations Subscribers: Sandhills Public Schools & Sargent Public Schools, and our new Meetings subscriber: Sandhills Public Schools! Please join us for our hospitality event at Beer Can Alley on Thursday, November 21, from 7 to 11 PM during the State Education Conference! Earlier that day, plan to attend our breakout session, "Unlocking Efficiency: Mastering Paperless Board Meetings & Staff Negotiations" at 3:30 PM in Room 210. Finally, be on the lookout for the new EHA Rates to be released soon! Once updated in the Sparq Negotiations program, your district can go into the system and generate projections with the most accurate benefits data. Watch for an email to come with more information!

Harnessing the Power of AI: Practical Applications for School Board Members and Administrators: Have you been hearing about the buzz around AI and wondering how it will impact your district? Join us for an engaging, hands-on workshop designed specifically for school board members and administrators. We'll start by showcasing how cutting-edge AI tools, like ChatGPT, can simplify daily tasks and enhance the efficiency of board work. From there, we'll explore real-world applications where AI is already benefiting educators—saving time, reducing burnout, and improving student support. Our session will wrap up with the latest research on AI in education, including how schools are crafting policies to leverage AI for better learning outcomes and streamlined operations. You'll leave with actionable insights and practical tools to help you navigate the evolving landscape of AI and make a meaningful difference in your district and community.

Inside Out: Navigating Board Conflict and the Hidden Costs of Dysfunction: As Boards of Education evolve, long-standing teams often encounter new members with differing beliefs, styles, and agendas, which can challenge board dynamics. This session offers attendees a chance to delve into how respectful dialogue ensures diverse perspectives are heard and considered in the decision-making process. What can the board and superintendent do to prepare for change and explore strategies for managing communication and conflict when it occurs? Participants will learn to foster civility in governance and proactively address common challenges. Join us to enhance your skills in navigating board transitions and maintaining a productive, respectful environment that builds trust between the board and superintendent and ensures that decisions are made openly and with integrity.

This year's Delegate Assembly will take place Friday, November 22, at 8:00 AM, in conjunction with the State Education Conference, at the CHI Health Center - downtown Omaha.

Per the NASB Bylaws, each member district and ESU board of education is allowed and encouraged to have one board member as their voting delegate. As a reminder, having a representative of your board attend Delegate Assembly is a requirement for all boards working toward either the Board of Excellence Award or the President's Board Award.

All items within the Delegate Handout will be considered by this Assembly. The NASB Delegate Handout of proposed changes to the standing positions and legislative resolutions for your review prior to the 2024 Delegate Assembly is now posted at the NASB website. To better prepare you and your board's voting representative for the Delegate Assembly, please download, review, and bring this Handout with you to Omaha.

<https://members.nasbonline.org/government-relations/nasb-advocacy-handbook>

If you haven't already, each board should select one board member to represent the district or ESU as the voting delegate, although multiple members from each board may attend. As a school board member, this is YOUR chance to be heard and help craft the 2024 legislative and leadership initiatives for NASB.

2024 NASB MEMBER DELEGATE ASSEMBLY FRIDAY, NOVEMBER 22 - 8:00 AM - OMAHA

WHY IS IT IMPORTANT FOR YOUR DISTRICT TO BE REPRESENTED AT THE DELEGATE ASSEMBLY?

The Delegate Assembly determines NASB's annual legislative and leadership agenda.

The Delegate Assembly is a key cog in securing laws, regulations, and a vision in Nebraska to benefit public education.

The Delegate Assembly is where your voice can be heard.

The Delegate Assembly is your governance meeting for the entire year.

The Delegate Assembly allows for equal representation. One district. One vote.
